

PRIVACY AND PRIVACY STATEMENT OF BUSINESS AND OPERATING SECRETS

1. General / Personal Data

The employer has pointed out to me that I will probably gain knowledge of personal data as well as business and trade secrets in the course of my professional activity. All of this information must be treated with absolute confidentiality and is subject to the provisions of Austrian and European data protection law and Austrian competition law.

I undertake towards Blumatix Intelligence GmbH and its customers to treat all documents/information and data received in this context (also in the future) as confidential without reservation and to use them exclusively in the context of my professional activity at Blumatix Intelligence GmbH.

- I will keep the entrusted user IDs, passwords and other access authorizations carefully and keep them secret.
- I may only transmit personal data on the basis of an express order from the respective superior. I am forbidden,
 - to transmit or otherwise make accessible data to unauthorized recipients inside and outside the company;
 - obtain or process data without authorization;
 - to process personal data for a purpose other than the purpose associated with my area of responsibility.
- I acknowledge that the violation of business or company secrets as well as the misuse of entrusted templates for the purpose of competition is punishable by law according to § 11 UWG. According to § 63 DSG, data processing with the intention of profit or damage is also a criminal behavior.
- The violation of data secrecy is threatened with an administrative penalty according to § 62 DSG.

2. Supplement for bank customers

I undertake to maintain banking secrecy in accordance with Section 38 of the Banking Act with regard to all confidential (bank) customer data made accessible to me in the course of my activities.

Abuse of insider information: In accordance with the confidentiality obligation set out in this document, I assure compliance with the provisions of Articles 7 and 14 MAR (Market Abuse Regulation).
